Panel D	A judge who obtained three (3) certificates or more and has thus qualified in a specific category. Judges could move automatically to panel C, on request, when they are qualified in three (3) categories.
Panel C	A judge who qualified in a minimum of three (3) categories.
Panel B	A judge who qualified in a minimum of five (5) categories.

Please Note:

If a judge has obtained three (3) or more breed certificates in any specific category, he may be allowed to judge the other breeds in that category, though he may not be in possession of certificates of those specific breeds.

Most important: 1.) The judge must however have the knowledge of the other breeds in the category and he should be able to judge them with confidence.

2.) Panel A judges must be experienced judges in all the categories from 1 to 9.
